

MAKE-UP REQUIREMENTS 2025-2026

How a dancer presents them self on stage is very important, great care must be taken to present yourself in the most well put-together manner possible. As a member of one of Bobbie's Companies all dancers need to take this seriously.

Remember that it may seem like a lot of make-up, but the bright lights of competition stages can easily wash out a dancer's face, the make-up we require will help them to look their absolute best onstage.
