All Stage Rehearsals and Performances will be held at the Fred Kavli Theatre in the Bank of America Performing Arts Center (also known as Thousand Oaks Civic Arts Plaza).

When you bring your child to their Stage Rehearsal and Performance, you will need to park in the parking structure adjacent to BOAPAC. Parking will not be allowed in the back lot behind the stage. There is additional parking at The Lakes, if needed.

Performer Check-In (Stage Rehearsal)

Performers should be brought to the back entrance of the Fred Kavli Theatre (Artist Entrance) at their assigned arrival time for Stage Rehearsals.

A Bobbie's Staff member will greet you at the Artist Entrance to check your performer in and guide them backstage.

Performers should arrive at the theatre dressed in practice clothes and their appropriate dance shoes.

Be sure to clearly label the inside of all of your dancer's dance shoes with their name!

No costumes, make-up or Recital hair for Stage Rehearsal.

Food/drink are not permitted inside of the theatre.

Munchkins and Twinkle Toes Ballet/Tap Dancers will run through their Ballet and Tap routines wearing ONLY their ballet shoes. No need to bring their tap shoes for stage rehearsal.

Parent Information

Once performers are checked in at the door, Bobbie's Recital Staff will escort the performers backstage, where they will remain until their class's time on the stage.

Once their Stage Rehearsal has finished, Bobbie's Recital Staff will escort the performers back to the Artist Entrance where you will pick them up.

Parents must wait outside the Artist Entrance during Stage Rehearsal.

3. FOR THE PERFORMANCE

At your designated drop off time, each performer will need to be checked in at the Artist Entrance.

To minimize congestion in the dressing rooms, only one parent of our Munchkins, Twinkle Toes, Mini Movers and Mini Company will be allowed to walk their performer to their dressing room. All other performers will be met at the Artist Entrance and lead to their dressing room by Bobbie's Recital Staff.

On the day of your Performance, we ask that the Boyz Crew, Jumpstart, Preteen/Teen, Hip Hop Crew, Junior Company, Ballroom, Pom, Core Company, Pre Professional Company and Aerialists arrive at the Artist Entrance 45 minutes before the start of the show.

Munchkins, Twinkle Toes, Mini Movers and Mini Company dancers should arrive 30 minutes before the start of the show.

Please plan on ample time to find parking.

When you bring your performer to check in at the Artist Entrance for their show, they should be dressed in their first costume with their hair and make-up already completed.

If your performer has more than one dance in the show, check the show orders below to see which dance they will be performing first — and bring their additional (labeled) costumes in their labeled garment bag.

All Munchkins and Twinkle Toes classes will perform their Tap dance first and Ballet dance second.

After reading your Show Order below, if you see any costume change conflicts (meaning 2 dances or less) please email the studio immediately at Judith@BobbieSchool.com no later than Friday, May 29 at 5pm.

Performance Notes

- Bring minimal personal items inside
- Water, goldfish crackers and fruit snacks will be provided
- Any performer with allergies should write their allergies on an index card and notify Bobbie's Recital Staff at drop-off.

Due to the bright theatrical lighting, we do recommend all performers wear light make-up. This includes mascara, blush and a red-toned lipstick. (A good brand for performers is SEPHORA Cream Lip Stain, Color: Rose Flambé #125). Mascara is not recommended for Munchkins or Twinkle Toes.

IMPORTANT REMINDER

Label ALL costume pieces, tights and shoes with your performer's first and last name.

This will help ensure that all pieces end up back in your performer's garment bag at the end of the Performance.

4. POST-RECITAL PERFORMER PICK UP

All performers will stay through the entirety of their show.

As a security measure, no performer of any age, will be permitted to leave during intermission, and no parents will be permitted backstage during intermission.

Should we need to reach you during the Performance, Bobbie's Recital Staff have your contact information.

At the very end of the show, all performers will be brought onstage for a final bow.

After the final bow, all performers, aside from Munchkins, Twinkle Toes, Mini Movers & Mini Company, will return to their assigned dressing rooms to gather their belongings. Performers will then be escorted to the Pick-Up Zone. The Pick-Up Zone is located outside of the main theatre entrance.

Munchkins, Twinkle Toes, Mini Movers & Mini Company will have their costumes brought to the Pick-Up Zone during the final bow. These dancers will not return to the dressing room. They will be lead from the stage straight to the Pick-Up Zone, following the final bow.

Large black signs will help identify where to pick up your performer in the Pick-Up Zone.

Staff Identification

Bobbie's Recital Staff will be with the performers at all times throughout the show.

Bobbie's Teachers can be identified by their white Bobbie's shirts.

Bobbie's Recital Staff can be identified by their light blue Bobbie's shirts and purple Bobbie's lanyards.

7. RECITAL VIDEO DIGITAL DOWNLOAD

5 Star Media will once again be filming all Recital Performances.

You will receive a link for a digital download of your performer's performance approximately 4 weeks after the show via email. This cost was incorporated in your participation fee.

It will be a treasured memory that you can share with family and friends who were not able to make the performance in person!

Looking forward to a great show with you!

Happy Recital Season,
